

YUNUS EMRE ERDOĞAN

Yunus Emre Erdoğan (1988, İzmir) çalışmalarında bakışını mekân ve nesnelere yöneltir. Sanatçının resimlerinin ele aldığı konular arasında gözü oyalayan detaylar, ışık ve boşluk bulunur. Ağırlıklı olarak füzen kullanarak oluşturduğu çalışmaları dingin olduğu kadar gerilimli bir atmosfere sahiptir. Erdoğan çalışmalarındaki detaylardaki mekânsal öğelerin biçimselliğinden zaman zaman sıyrılarak, indirgemeci bir tavır sergiler. Yunus Emre Erdoğan, lisans eğitimini Dokuz Eylül Üniversitesi, Güzel Sanatlar Fakültesi Resim bölümünde tamamladı (2011). Marmara Üniversitesi Güzel Sanatlar Enstitüsü Resim bölümünde Yüksek Lisans programına devam etmektedir. Bursa'da yaşıyor ve çalışıyor.

Yunus Emre Erdođan (1988, İzmir) directs his gaze towards places and objects in his works. The subjects which he deals with in his pictures are light and space, details which attract his attention. His works, which are predominantly in charcoal, are endowed with an atmosphere that is as intense as it is tranquil. The spatial elements in the details at times break free from formalism to display a reductionist attitude. The artist completed his bachelor's at Dokuz Eylul University Fine Arts Faculty Department of Painting in 2011 and is currently enrolled in the Painting MA program of Marmara University Institute of Fine Arts. Yunus Emre Erdođan lives and works in Bursa.
